

## United Way of Tarrant County's Teacher Appreciation Notecard Project

United Way of Tarrant County's "Teacher Appreciation Notecard Project" is a wonderful and simple way to volunteer from your home or office!

### **Background:**

A teacher is a role model, a support system, and a wealth of knowledge both in the classroom and by empowering students with lessons and skills they will carry with them beyond their school years. As a result of the COVID-19 pandemic, teachers have been faced with new challenges such as balancing virtual and in-person student engagement. Still, the education of their students remains a top priority.

**Who can participate:** Individuals, families or groups.

**Who will benefit:** Teachers across our community.

### **How to participate:**

- 1) Use blank notecards or create your own using printer paper or construction paper.  
*It's as easy as folding a piece of paper in half!*
- 2) Write a note, create a poem, or use one of our sample messages below.  
*Remember to be kind, encouraging, and uplifting!*
- 3) **Return cards to:**
