

United Way  
of Tarrant County

*Your support makes a difference*

### **Earl and Mary, Army, Vietnam Veteran**

Earl, a Vietnam veteran who served in the Army, and his wife, Mary, needed assistance with a deposit for a home in an assisted living facility. They also needed physical help to move. Texas Serves referred the couple to United Way of Tarrant County veterans assistance program, to help them with the deposit and the move. A United Way of Tarrant County veterans assistance program case manager helped to coordinate volunteer movers to help move them into their new home, which is less expensive and more accessible. Also, Earl, who is an artist, wanted to sell his many paintings. The case manager was able to link him with another artist at Arlington's East Main Street arts festival, where they shared a booth.

Thanks to United Way of Tarrant County veterans assistance program, Earl and his wife, Mary, are able to enjoy life, and Earl can devote more time to painting and selling his art.
